DEFINITIONS

“Business Day”, a day (excluding Saturday and Sunday) on which the banks are open for business in Ireland, the United Kingdom and France (and/or such other day as the Manager may from time to time determine and notify in advance to Unitholders).

“Central Bank”, means the Central Bank of Ireland and its successors thereof.

“Dealing Day”, each Business Day (or such other day or days as the Manager may from time to time determine and notify in advance to Unitholders provided there is at least one Dealing Day per fortnight).

“Dealing Deadline”, before 10.00am (Irish time) on the relevant Dealing Day.

“Eligible CIS”, UCITS collective investment schemes (including money market schemes) and alternative investment funds collective investment schemes as defined in accordance with the Central Bank Requirements, the managers of which may not charge more than 5% of the net asset value of such Eligible CIS as management fees and which Eligible CIS may not invest more than 10% of its net asset value in underlying collective investment schemes. Eligible CIS will be regulated and authorised in Ireland or in another jurisdiction by a supervisory authority established to ensure the protection of shareholders and which, in the opinion of the Central Bank, provides an equivalent level of investor protection to that provided under Irish laws, regulations and conditions governing collective investment schemes. These include:

- (a) UCITS collective investment schemes authorised in any Member State or authorised in any other European Economic Area member state pursuant to domestic legislation implementing the Directive, Guernsey Class A collective investment schemes, Jersey Recognised Funds, Isle of Man authorised schemes and retail alternative investment funds collective investment schemes authorised by the Central Bank provided such collective investment schemes comply in all material respects with the Central Bank Requirements ;
- (b) alternative investment funds collective investment schemes authorised in any European Economic Area member state, the United States, Jersey, Guernsey or the Isle of Man which comply in all material respects with the Central Bank Requirements; and
- (c) alternative investment funds collective investment schemes in jurisdictions other than those set out above which have obtained the prior approval of the Central Bank on the basis of a submission made to the Central Bank for such purpose and where the jurisdiction of those collective investment schemes is set out in an update or addendum to the Supplement.

“Valuation Point”, close of business in the relevant market on each Dealing Day or such other days as the Directors, with the consent of the Custodian, may determine.

With the exception of the defined terms set out above, and unless the context requires otherwise, defined terms in this Supplement shall have the meaning attributed to them in the Prospectus.

INTRODUCTION

As at the date of this Supplement, the AXA Selection Carmignac Convictions has four classes of Units namely, the Institutional Class I (EUR) Units, the Retail Class R (EUR) Units, Retail Class R (GBP) Units and the Zero Class Z (EUR) Units. Additional classes may be added to the AXA Selection Carmignac Convictions in accordance with the requirements of the Central Bank.

The base currency of the AXA Selection Carmignac Convictions is Euro.

Profile of a Typical Investor

The AXA Selection Carmignac Convictions is suitable for investors seeking medium-term capital growth with a medium to high level of volatility.

An investment in the AXA Selection Carmignac Convictions should not constitute a substantial proportion of an investment portfolio and may not be appropriate for all investors due to investment in emerging markets.

AXA SELECTION CARMIGNAC CONVICTIONS

Investment Objective

The investment objective of the AXA Selection Carmignac Convictions is to seek medium-term capital growth.

Investment strategy

Carmignac Gestion will select Investments opportunistically (following an assessment of their value and/or potential for value) by seeking to take advantage of market conditions at any particular point in time. Investments will be selected with a view to achieving an optimal risk/reward profile for the AXA Selection Carmignac Convictions. Save as set out below in terms of the assets it may select for the AXA Selection Carmignac Convictions, the exposures Carmignac Gestion may seek for AXA Selection Carmignac Convictions or the geographical areas in which AXA Selection Carmignac Convictions may invest or gain exposure are not limited.

Investment Policy

The AXA Selection Carmignac Convictions is a fund of funds, holding a minimum of 50% of its Net Asset Value in Eligible CIS.

In order to achieve its investment objective, the AXA Selection Carmignac Convictions may have the following direct investments and/or exposures through the use of FDI (as described below) or investment in Eligible CIS:

- from 0 - 100% of AXA Selection Carmignac Convictions' Net Asset Value in interest-rate, inflation-linked or convertible bond products (such as fixed income securities which can, at the option of the purchaser be converted into equity or equity-related securities (such as ADRs or GDRs)) which may be government or corporate bonds of fixed or floating rate, across all maturities which are rated or unrated and which are listed or traded on Regulated Markets;
- from 0 - 100% of AXA Selection Carmignac Convictions' Net Asset Value in small, mid or large-cap equities or in equity-related securities;
- from 0 - 20% of AXA Selection Carmignac Convictions' Net Asset Value in commodities through the use of FDI on commodity indices cleared by the Central Bank and investing in Eligible CIS. AXA Selection Carmignac Convictions may also seek commodity-related exposures through investment in equities of commodity producers or other commodity-related issuers;

- from 0 - 100% of AXA Selection Carmignac Convictions' Net Asset Value in short term liquid assets such as money market instruments, as defined in accordance with the Central Bank Requirement's and which include money market Eligible CIS;
- AXA Selection Carmignac Convictions may invest in or hold currencies of any denomination without limitation;
- from 0 - 100% of AXA Selection Carmignac Convictions' Net Asset Value in emerging markets. Carmignac Gestion, in its discretion, will determine what constitutes "emerging markets". Carmignac Gestion's determination of what constitutes emerging markets may change from time to time;
- up to 100% of AXA Selection Carmignac Convictions' Net Asset Value in securities listed or traded in Russia.

Save for permitted Investments in unlisted securities, Investments of AXA Selection Carmignac Convictions will generally be listed or traded on Regulated Markets. The AXA Selection Carmignac Convictions may also use exchange-traded or over-the counter FDI traded on Regulated Markets such as interest-rate and index swaps (to gain exposure to the asset classes listed above); securities with embedded derivatives (such as warrants, credit linked notes, Euro Medium Term Notes and subscription certifications); forward foreign currency contracts or swaps (to gain exposure to currencies or to hedge interest rate or currency exposure); and equity, dividend, interest-rate, currency and index futures and options (to gain efficient exposure to the investments outlined above, to reduce risk, to increase returns and for hedging purposes) in accordance with provisions of the Prospectus and the limitations set down in Appendix II to the Prospectus. With this in mind, it hedges its portfolio and/or exposure to economic sectors, geographical areas, currencies, interest rates, equities, securities and indexes, where appropriate.

In relation to total return swaps, the Manager expects that such transactions will apply to 0% of the Net Asset Value of AXA Selection Carmignac Convictions, however AXA Selection Carmignac Convictions may enter into such transactions up to 100% of its Net Asset Value.

AXA Selection Carmignac Convictions may enter into securities lending, repurchase and/or reverse repurchase agreements solely for the purposes of efficient portfolio management in accordance with the provisions of the Central Bank Requirements and Appendix II to the Prospectus. The Manager expects that lending of securities and repurchase transactions will apply to 0% of the Net Asset Value of AXA Selection Carmignac Convictions, however, AXA Selection Carmignac Convictions may enter into such transactions up to 100% of its Net Asset Value. The Manager expects that borrowing of securities and reverse repurchase transactions will apply to 0% of the Net Asset Value of AXA Selection Carmignac Convictions, however AXA Selection Carmignac Convictions may enter into such transactions up to 100% of its Net Asset Value. Details on the past utilization of these transactions are contained in the AXA Selection Carmignac Convictions annual report.

Carmignac Gestion will have in place a risk management process ("RMP") cleared by the Central Bank which allows it to accurately measure, monitor and manage the associated risks. Any FDI not included in the RMP will not be utilised until such time as a revised submission has been provided to the Central Bank. Carmignac Gestion uses a risk management technique known as absolute value-at-risk to assess the AXA Selection Carmignac Convictions' market risk to seek to ensure that the use of FDI by the AXA Selection Carmignac Convictions is within regulatory limits. The one-tailed 99% confidence level, one month (20 Business Days) holding period, value-at-risk on the portfolio of AXA Selection Carmignac Convictions shall be calculated on at least a daily basis and shall not exceed 20% of its Net Asset Value in any one day. The value-at-risk model will use one year of historical data of daily market moves. Using the value-at-risk approach for exposure measurement does not necessarily limit leverage levels. However, the AXA Selection Carmignac Convictions through its investments in FDI will be leveraged. Calculating leverage resulting from derivative usage, in accordance with the requirements of the Central Bank, as the sum of notionals underlying all the FDI positions in the AXA Selection Carmignac Convictions expressed as a percentage of its Net Asset Value the expected level of AXA Selection Carmignac Convictions' leverage will be 200% of its Net Asset Value. Higher leverage levels are possible, but leverage will not exceed 500% of AXA Selection Carmignac Convictions' Net Asset Value at any time.

RISK FACTORS

Unitholders and potential investors are specifically referred to the section headed "Risk Factors" in the Prospectus.

INVESTMENT AND BORROWING RESTRICTIONS
